

Houlton School  
Design Technology Technician

Job Description and Person Specification

# Welcome from the Principal

It is my great pleasure to introduce you to our Houlton family, where **innovation**, **aspiration** and **excellence** are at the heart of all we do. As His Majesty's Inspector, Nicola Harwood noted when Ofsted visited us in 2021, we '...place spiritual, moral, social and cultural education at the heart of the curriculum so that **pupils flourish and are well prepared for life beyond school**.'

We proudly encourage pupils to consider themselves to have joined the unique experience of the '**Houlton family**'. Dr Maya Angelou once wrote that, '...family isn't always blood; it's **the people in your life who want you in theirs: the ones who accept you for who you are**, the ones who would do anything to see you smile and who love you no matter what.' This underpins our approach at Houlton, where difference is celebrated as integral to our supportive, wider community.

We have the privilege of occupying an exceptional campus, including our Grade II listed buildings that previously housed Rugby International Radio Station. Some established schools are lucky to be provided with refreshed, enhanced facilities in one or two specialist subject areas, such as the Arts or STEM; however, our pupils enjoy state-of-the-art facilities alongside stunning heritage buildings across the **entire curriculum**.

At Houlton School we have the highest expectations of our pupils: **excellence** is expected in all aspects of behaviour and attitudes, and pupils will be expected to always do their very best. Uniform and standards of appearance are important and traditional here: we expect them to be worn correctly and with pride as the foundation of everything else we do as a family. We encourage our pupils to always model our values and will support them in all aspects of school life, providing them with the very best teachers, facilities, and opportunities to explore their emerging talents.

Colleagues here enjoy a supportive environment in terms of their careers, whether they be teachers or any other role within our organisation. One of our Trust's key ambitions is to 'nurture potential' and we subscribe to this aspiration whole-heartedly.

I strongly recommend that potential applicants come and pay us a visit to see what a fantastic place this is to work and learn; I have every confidence that if you do, you'll want to support us in the next, exciting phase of our expansion as a community.
