At Transforming Lives Educational Trust, we want to change the future

Our academies are places where staff thrive and children flourish, equipped for a world of possibilities, and ready to make a difference to others.

We believe that nothing compares to the transformative power of learning and its singular ability to broaden horizons, deepen perspectives, and extend potential. We know that the very best schooling unlocks the doors of the future, and that all children deserve the best daily deal, every day.

We believe in the dedication and talent of our staff, who deliver greatness in every corner of our Trust. This inspires us to make sure we take the very best care of them, as well as the children and young people in our academies.

Our family of primary and secondary academies work together to provide the best start for our children and young people, and our Trust is the natural home for forward-thinking and innovative practice, led by dedicated and talented staff.

As a successful and growing family of academies, we have developed the size and scope to be far more than the sum of our parts.

The TLET Way

OUR AMBITIONS -

As a Trust family, our shared ambitions drive everything we do, we call this ‘The TLET Way’.

Through the transformative values of courage, kindness and loyalty, together we:

NURTURE POTENTIAL

We flourish in the places we create together.

INSPIRE COMMUNITY

We champion each other to make a difference.

DELIVER EXCELLENCE

We strive to achieve our best.

Our Academies

Our Team

Without exception, everyone is deeply committed to the very highest outcomes, regardless of their role, recognising the strength of collective contribution and effort.

Leaders

Academy leaders, driven by exceptional Principals, focus relentlessly on pupils and their outcomes, with everything else as peripheral. They are restless in their leadership, seeking ever better ways to improve in a culture of success. They do what it takes to make the difference.

Central Team leaders, motivated by an inspiring Executive, lead high performing teams who add value to our academies by providing the environment in which others thrive. They unburden academy leaders, enabling them to keep the main thing, the main thing - pupil outcomes.

Governance, for our academies and for the Trust, is robust, rigorous and proportionate, providing professional support and challenge so that leaders strive to the limit of what is possible with a sharp focus on outcomes and excellence.

Our leaders never allow the urgent to distract them from the important, navigating a clear route to long-term success.

Teachers

Our teachers are highly effective in the classroom, both in the uncompromising quality of their teaching and in the perceptive and individualised attention they give to pupils. They are passionate about the subjects they teach and dedicated to the children in their care. Our teachers are carefully recruited and expertly supported to make sure they, like our pupils, are always at the top of their game.

Support Staff

Our support staff are the backbone of our organisation and are specialists in their areas of responsibility. Like our teachers, they are well-trained and highly effective at ensuring the smooth operation of our Trust day in, day out.
